Get Involved: Our Work and Resources

We are thrilled to welcome you as our newest partner in building a more reconciled NSW. Here is a snapshot of our work and how your contribution through your membership with us is helping to make a difference.

Reconciliation NSW's vision is to create a reconciled, just and equitable community for Aboriginal and Torres Strait Islander peoples and other Australians in NSW. With your support, we will continue our work to educate, lead, and inspire the people of NSW to engage in reconciliation.

Growing Together

An organisation's reconciliation journey is largely about learning, connecting, and engaging with your local Aboriginal and Torres Strait Islander community, and their cultures, histories, contributions.

You will learn about and gain access to your membership benefits and resources through our regular org member e-news, website, and social media. Utilising these channels of information will grant you access to:

- Our **organisational member toolkit**, including resources and factsheets with targeted information.
- Quarterly **RAP Development** Webinars.
- Invitations to **exclusive events** and networking opportunities.
- **Resources and advice** about protocols, policy developments, Indigenous suppliers, procurement processes, cultural awareness and competency training.
- **Learning opportunities**, information about webinars, lectures, and other education resources.
